EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Kirincich (Reg. No. 38,734) on August 26, 2008.

The application has been amended as follows: Claims 16 and 17 are cancelled.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on 12/22/2006 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

3. Claims 1-15 and 18-24 are allowed.

The following is an examiner's statement of reasons for allowance:

The claims were rejected as unpatentable over Langhans and Gephart. Langhans was cited to disclose all the applicant's limitations with the exception that the account disclosed in Langhans is a corporate account instead an individual account. Gephart was cited to disclose a limited use account system for an individual account and because both Langhans and Gephart provide fraud protection by limiting account use and/or activity based upon various criteria.

Art Unit: 3696

Langhans in view of Gephart fail to disclose or suggest either alone or in combination "calculating the authorization code..." (see claims below),

As in claim 1: "**calculating the authorization code** corresponding to the established respective authorization parameter data"

As in claim 8: "**calculating the authorization code** corresponding to the *received* respective authorization parameter data"

As in claim 18: "*means for* **calculating the authorization code** corresponding to the established respective authorization parameter data"

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
